

Proudly Celebrating 26 Years In Business

Thank you for stopping by to see what above ground pools we have to offer. We are locally owned and operated and have been supplying Baton Rouge and surrounding areas with quality above ground pools for the past 26 years. We hope to provide you with the highest quality pool package, at the best price. With our professional service and knowledge we hope to make your choice an easy one. We can make your dreams of owning your own pool come true. If you have any questions please feel free to e-mail or call us, we will be happy to answer them.

Here are a few things we'd like you to know about our above ground pools:

Each above ground pool that we sell consists of the standard package, which includes:

- The Pool Kit
- Pump & Filter System – 19” Sand filter with a 1 HP pump & motor. A 1 ½ HP is also available with a 22” sand filter.
- Liner – 20 Mil Plain Blue
- Ladder - “A” Frame Safety Ladder
- Maintenance Kit - Test Kit, Thermometer, Telescoping Pole (8’ – 16’), Skim Net, Wall Brush, and Vacuum Head and Hose.
- Skimmer and One Return

To add to the enjoyment of your new pool we also offer the deluxe package, which includes the standard package plus:

- Upgrade to 1 ½ HP pump & motor with a 22” sand filter. (minus the 1 HP system)
- 20 Mil All Swirl Liner (Swirl on sides and bottom)
- Pool Cove – A permanent cove, which replaces the sand cove during installation.
- Ultimate Pool Bottom – Hard plastic bottom which prevents nut grass from growing through liner.
- Pool Light – We offer the Ultra Nitelighter. The Ultra Nitelighter is a drop in light that requires no extra holes in the wall or liner.
- A Timer. The timer turns the pump on and off automatically, for your convenience.

Here are a few optional products also available:

- Pool Steps. These allow easier entry into a pool.
- Robo Kleen robotic pool cleaner
- Pool Fountain
- Pool Cover
